### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

*In the title :*

Substitute the current title with the following new title :

--Magnetic memory device capable of passing bidirectional currents through the bit lines-

### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Apparatus claim 1 recites a magnetic memory device comprising a plurality first switching means connected to first ends of a plurality of bit lines and a plurality of second switching means connected to second ends of the plurality of bit lines for switching the bit lines to a first power supply or a second power supply. The prior art does not teach these features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
